

MULTI-TALENTED LIKE EVERY PRO.

Being clever is to have the ability to adapt. To face different situations and always have the perfect solution for them.

TALENTO has it all. Designed to **TRANSPORT GOODS** or **PEOPLE**, it offers professionals a wide range of solutions, from loading features to accessories - that makes a huge difference for your everyday work.

The AGGRESSIVE DESIGN of the Talento shows how this unique van belongs to a long lineage of hard workers. From the style standpoint, Talento is compact and well-proportioned: the forward stretching windscreen pleasantly connects to the short bonnet and the overall effect is one of an imposing but dynamic front end. The design is horizontal with bold, clear-cut lines in tune with the NEW

FAMILY FEELING of the Fiat Professional range and enhances the width of the vehicle and its loading capacity, clearly suggested by the SQUARE-SHAPED REAR end, while conveying an idea of dynamism and stability. The Talento's design ingenuity was also applied to its size, thought to perfectly fit the space limits of every city, while offering great cargo capacity to carry every business forward.

O INGENIOUS—INSIDE

MAKE YOUR HEADQUARTERS ANYWHERE.

The interior of Talento is the perfect office for fully dedicated workers like you. Carefully thought to combine comfort and functionality, it comes with all the standard items that makes every hour at work pleasant and effective.

The ingenious solutions that brings a **CENTRAL SEAT WITH POP-UP TABLE**, completed by **smartphone and tablet holder*** and the rear view camera (in the rearview mirror or integrated in the 7" screen in case of touchradio nav) are some of the many features that make it your future workstation.

TECHNOLOGY

PUTTING TECHNOLOGY TO GOOD USE.

Technology plays a huge role on almost every single business. And Talento also uses it to its advantage.

The KEYLESS ENTRY/KEYLESS GO was carefully thought for the busy hands of a hard worker. And parking the Talento is made easy with integrated RADAR PARKING and REAR CAMERA with image in the interior mirror and in the 7" screen in case of touchradio nav. Complemented by the VIEWPLUS MIRROR, that reduces the blind angle and improves the lateral view.

It comes with complete media centre 7" TOUCH-RADIO NAV, available with Apple CarPlay support and Android Auto™.

GET GREAT RESULTS ANYWHERE.

Talento is powered by a **FULL RANGE OF EURO 6d-TEMP ENGINES**, with **TRACTION+**system and **ESC** with **HILL HOLDER**: to let you work anywhere you need.

A reliable, powerful and cost-effective engine that delivers **POWER UP TO 170 HP**. The perfect to help your work, with high performance and low consumption.

----INGENIOUS SAFETY

ARRIVE SAFELY.

With its unique safety features, every worker, passenger or cargo will always arrive safe. Talento comes with ABS with EBD and HBA.

And the ESC, with TRACTION+ system that transfers torque to the wheels, giving the best grip. And the HILL HOLDER technology, that aids you on steep roads, keeping your brakes activated for 3 seconds.

ABS WITH EBD AND HBA

Anti-lock Braking System

This is an integral part of the braking system, which prevents one or more wheels from locking and slipping regardless of the road surface conditions and braking intensity, ensuring control of the vehicle even during emergency braking.

Electronic Brake force Distribution

The braking system distributes brake force between front and rear axles to optimise efficiency in all driving conditions.

Hydraulic Brake Assist

This system, integrated in the ABS, recognises emergency braking conditions according to the speed of operation of the brake pedal and guarantees additional hydraulic braking pressure to support that provided by the driver. This allows faster and more powerful operation of the braking system.

Traction+ is the innovative traction control system that improves the vehicle's traction on the most challenging surfaces with poor grip. Under conditions of low grip from any drive wheel, the control unit detects slipping and brakes it, transmitting the drive torque on the wheel with the best, grip on the ground. In this way, the vehicle's performance is more comfortable, ensuring the best stability and handling.

The Trailer Stability Assist system guarantees perfect stability even when towing. If the vehicle skids, the TSA automatically modulates the engine's power and the braking force on each wheel to give stability back to the vehicle and its trailer.

With TSA

HILL HOLDER

Ideal for starting off uphill with ultimate ease, even with a full load. The Hill Holder automatically blocks the vehicle for several seconds without you having to press the brake pedal.

The Electronic Stability Control offers you exceptional grip and stability by independently managing the braking force on the wheels when taking a curve. It prevents the wheels from skidding, minimises the risk of the vehicle skidding and guarantees perfect traction in all conditions.

INGENIOUS—CARRIER

SUCCESS COMES IN MANY FORMS:
ALL OF THEM.

Versatility is key when running a successful business. Whether its goods or passengers, Talento is designed to effectively transport all of them, without losing the car's compactness – great for urban centers.

Flexible and adaptable, you can easily load large objects from both side door and rear doors. Offering **UP TO 1,3 TON PAYLOAD**, with space for 3 Euro pallets (starting from

short whellbase/low roof) and the possibility of also transporting long objects. They can be easily carried through the **CARGOPLUS**, an opening underneath the passenger's seat that lets you fit **UP TO 4.15 METERS** length objects, such as plastic pipes.

Talento has squared lines, implying its roomy interior and wide **LOAD COMPARTMENT**, **UP TO 8.6 M**³.

The team behind every job well done has a space on Talento.

With a **LOAD COMPARTMENT OF 3,2 M**³ in short wheelbase versions and **4,0 M**³ in the long wheelbase versions, the shielded double cabin carries a large amount of goods and all your working team.

The Crew cab has **FIVE OR SIX SEATS**, adding comfort to every trip. The cargo compartment is accessible from the rear, with **LEAF DOORS OPENING AT 90°** or **180°/250°**. Allowing to use every centimeter of the loading compartment, from the floor up to the roof.

VAN VERSIONS.

The van's versatility allows you to choose the perfect combination for your business, between TWO different HEIGHTS, TWO LENGTHS AND TWO WHEELBASES.

SHORT WHEELBASE AND LOW ROOF

LONG WHEELBASE AND HIGH ROOF

CONVERSIONS.

Versatility makes a difference on this van. **TALENTO** can be easily adapted to any kind of business and their specific needs.

* Samples of conversions prepared with our partners

FLOOR CAB

REFRIGERATED BODY*

Vehicle with isothermal insulation, ATP approved, which can keep internal temperatures constant up to 0°C. If a refrigerating unit is installed, the compartment turns into a cold room that can transport medicines or food products.

MOBILE WORKSHOP*

Version made of galvannealled automotive steel with modular and flexible quick fastening system.

GREAT TEAMS RIDE TOGETHER.

Every great business needs teams working side by side and with Talento, teamwork will always be an asset.

The **COMBI** unique versatility allows to have a **SECOND ROW OF SEATS**, coming up to **SIX PLACES**. With the advantage of maintaining a large **LOAD COMPARTMENT** (3,2 M³ in short wheelbase versions and **4,0** M³ in the long wheelbase versions) to carry everything your team needs on the job.

-INGENIOUS -

THE BEST **TO WORK** SMARTER.

A great functional toolkit is the first and fundamental equipment of every clever hard worker, but a professional like you deserves more. That's why every detail of Talento was designed to truly make a difference at your work. Proudly helping you achieve more and carry great results.
